### **Global Private Bank Video – English**

HSBC Global Private Bank gives you access to opportunities by helping you see the bigger picture.

But what is the power of the bigger picture?

It's much more than just having the pieces of the puzzle. It's seeing those pieces together. It's seeing how opportunities across business, global economies, changes in markets and sectors are all interconnected with your wealth, ambitions and vision.

It's having an eye on the end and making the decisions that get you there. It's knowing your choices are serving your purpose for generations to come.

So, how can HSBC bring the power of bigger picture to you?

We give you access to global opportunities with local knowledge. Connect you to the right people at the right time, in the right places. Tailor investment strategies for both your personal and business goals. Help you leave a lasting legacy. And for when the time comes, set out a plan for a smooth succession.

Talk to one of our relationship managers today and unlock a world of opportunity with HSBC Global Private Banking.
